# (U//AIUO) A Message from the Executive Director on Agency Standards of Dress

(U//AIUO) Our Agency is a highly professional organization, one which we expect to project a professional image to ourselves and to our many visitors. Over time, there has been a deterioration in the dress of a number of our employees, to which I call your attention.

(U//AIUO) All employees are to be appropriately and presentably attired, with a moderately less stringent standard on Fridays or during unscheduled weekend or holiday stints.

(U//AIUO) Rather than go through the pain of trying to formulate and implement a "dress code," I ask each of you to come to work dressed in a manner and fashion which reflects respect for the Agency, your co-workers, and yourself. The characteristics of such dress are cleanliness, neatness, and propriety.

(U//AIUO) Thank you for your cooperation.
